Any other signage will be removed by SOLAS staff without notification. Signage must be approved by SOLAS. Please note there will be no persons diverting attendees away from other events that may be occurring near your event.

It is important to note that all activities, including food set-up, must be contained within your contracted space. A single registration table and the two signs are the only items to be outside of the assigned space. Additionally, all applications must cap their attendance to ensure all activities are contained within the assigned space.

ACCME and AMA Guidelines - CME Symposia

CME providers must be in compliance with all the Accreditation Council for Continuing Medical Education (ACCME) policies, including but not limited to the *Standards for Commercial Support of Continuing Medical Education*.

(Please provide a copy of the work agreement as well as a copy of the third party's CME certification.)

ACCME guidelines require CME programs to provide attendees with an opportunity to give a written evaluation of the symposium as well as evaluate the program for objectivity, commercial bias and off-label product use. A copy of the completed evaluation forms must be sent to Tom Purcell, Tom@lateralaccess.org at SOLAS no later than four (4) weeks after the program.

AMA's *Ethical Opinion of Gifts to Physicians* from Industry is the responsibility of the individual physician. However, every effort should be made to ensure that SOLAS members and Annual SOLAS Meetings attendees are not put into a situation that would be considered a

violation of these guidelines.

Corporate Satellite Symposia that offer CME must include the following Accreditation and Designation Statements on all marketing information:

"This activity has been planned and implemented in accordance with the Essentials Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the (CME Provider) and (Commercial Supporter). Cancellations

SOLAS must be notified in writing prior to April 1, 2019. Any cancellations made on or prior to April 2, 2019 are subject to a 25% handling fee. No refunds will be issued to companies canceling on or after May 1, 2019.

SOLAS reserves the right to revoke any and/or all privileges at future Annual SOLAS Meetings for any Commercial Supporter, Third Party CME Provider, Event Organizer, exhibitor, organizer or sponsor for violations of the aforementioned guidelines.
